

DISCIPLE HERITAGE FELLOWSHIP NATIONAL CONFERENCE

May 7-8, 2025 at First Christian Church in Decatur, IL

We are excited to commemorate our 40th year at this year's national conference and we'd love to have you join us as a conference sponsor to celebrate with the approximately 200 pastors, elders, church staff and other ministry leaders from around the country who will be with us for this momentous occasion.

Many will represent churches in transition. That is, they are leaving the denomination of which they have been part and are connecting with DHF and other ministry partners. This will include looking for missions to support ministries beyond the local church, higher educational options, church builders, and development funds for investment and kingdom expansion. We think you will find open doors for the sharing of your ministry's story.

This year, our featured speakers are Cam & Sarah Huxford. Cam Huxford retired from ministry after 40 years as the Senior Pastor of Compassion Christian Church in Savannah, GA, leading it from a few hundred people to more than 10,000. Sarah Huxford has partnered with her husband, Cam in ministry for 43 years focusing on Dramatic Arts and leading Women's Ministries at Compassion.

Our mission at Disciple Heritage Fellowship is to encourage, strengthen, and lead Churches to fulfill Christ's mission. We do that by providing encouragement, training, counseling, and networking opportunities to pastors and lay leaders across the country as they strive to lead their congregations. More than 150 churches nationwide are connected to DHF with 175 pastors in our Pastors Network. More than 100 church elders from 14 states participate in our Elder Forums.

An important part of our work is building a network of congregations with a Stone-Campbell heritage, and our annual national conference gives these church leaders an important opportunity to connect face-to-face. In addition to several main stage presentations, we'll also have additional speakers and breakout sessions. Conference details can be found at discipleheritage.org/conference.
